

VFW Survey of Women Veterans

Help hold the VA accountable

Dec 22, 2015

The VFW is committed to ensuring veterans' health care and benefits are equitable among the brave men and women who have worn our nation's uniform. In an effort to identify barriers women veterans face when accessing their earned veterans' benefits and services, the VFW has commissioned a survey of women veterans that will guide the VFW's policy priority goals for women veterans. The VFW will analyze survey results and direct feedback from women veterans to make recommendations to VA and Congress on how to meet the needs of women veterans.

Action Needed: Take the VFW's Survey of Women Veterans to help the VFW hold VA accountable for delivering the high-quality benefits and services women veterans have earned and deserve. To take the survey, click here: <https://www.research.net/r/VFWSurveyofWomenVeterans>.
