

VFW Launches New Mobile Event App

Download the VFW Events app today

Feb 08, 2019

KANSAS CITY, Mo. – The Veterans of Foreign Wars of the U.S. has designed a new mobile event app to give attendees the tools needed to make the most out of attending VFW national events.

The new VFW Events app allows for attendees of the VFW's Legislative Conference and National Convention to receive important notifications and reminders throughout the events, gain instant access to the daily agenda, the opportunity to connect with other attendees and more.

The new VFW Events app is available for download at both the [Apple App Store](#) and the [Google Play Store](#) by searching "VFW Events." Users who don't have a smart phone or tablet can also access the app [here](#).

If you're planning to attend the legislative conference, help the VFW promote our [2019 Legislative Priority Goals](#) by posting about your visit with your Congressional representatives to social media. Simply snap a photo of your meeting and post it to Twitter and/or Facebook using **#VFWDC2019**. Be sure to tag your elected officials to show your appreciation for their time and for helping us fight FOR VETERANS.

If you aren't able to attend the VFW Legislative Conference, you can still join us by tweeting at your representatives to let them know about our priority goals and how they too, can help us in the fight for veterans.
