VFW has announced the winners of the 2011 National Publications Contest. Two non-VFW-affiliated journalism professionals—a photojournalist and a former 20-year newspaper editor—served as judges for the competition. This is designed to guarantee impartiality and objectivity in the judging. To reiterate, VFW staffers play no part in judging the entries.

Because all levels of VFW have seen declining membership in recent years, the small, medium and large qualifications were re-evaluated for the 2011 contest. The winning publications in each category are:
