

#StillServing During the COVID-19 Pandemic

We want to share your stories and inspire others

Apr 02, 2020

The COVID-19 pandemic is affecting the lives of every citizen in the world.

In America, we know our veterans are #StillServing and rising to meet the challenges of this uncertain time.

If you — or a veteran you know — has stepped up to help others and your community in this unfolding situation, please [take a moment to let us know what you're doing](#).

We want to share your stories and maybe even inspire others across the country to do the same.

Thank you for your service — and thank you for #StillServing!
